DETAILED ACTION

This office action is in response to terminal disclaimer filed on 04/16/04.

Claims 1-7 are pending.

Reason for allowance

Claims 1-7 are allowed.

The following is an examiner's statement of reason for allowance:

None of the references of record teaches or suggests the claimed limitations having a non-volatile memory comprising a substrate, a word-line on the substrate, a charge trapping layer between the substrate and the word-line, a contact disposed over the substrate electrically connecting with the word-line and a protective metal line electrically connecting with the contact and with a grounding doped region in the substrate wherein the protective metal line has a resistance higher than the a resistance of the word-line.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
